Assignment

For this assignment, you will use Spanish words to describe the following questions asking about specific numbers. It is important that you use the word for each Spanish number and not its digit (ocho instead of 8 etc..).

1. Age:
2. Your Telephone Number:
3. Your Date of Birth:
4. Your Address:
5. One of your parents' phone numbers:

Oral Assessment

You get an unexpected phone call from the president of Mexico. The president tells you that they want to have dinner with you and your family. The president also tells you that they love Italian food and will order for everyone in advance, but they need a phone number for your favorite Italian restaurant. Find the phone number for your favorite Italian restaurant, then tell the president each digit of the phone number in Spanish.
